Old Stone is a seventy-acre farm with indoor and outdoor riding facilities, trails, a pond, and a creek. The Old Stone Summer Camps utilize these facilities as well as our great horses to provide campers with a safe, fun environment for improving their riding skills and general confidence in the care of horses. At each of our camps this year, campers will be responsible for the care of a horse and will ride each day. Campers will be divided into groups based on age, experience, and ability. Some of the fun includes:

- Games and activities each day, on horses, with horses, and about horses
- Crafts and art projects
- Visits from horse professionals such as farriers, veterinarians, dentists, massage therapists, etc. (arranged as possible)
